Legacy Campaign – Donations

For over 57 years, the Boosters Club has provided financial support to the many clubs, teams, and departments at Hinsdale Central. The money raised through our membership drive, spirit wear and concession sales is no longer enough to meet the growing needs of the school. Pressing facility and technology improvements are necessary to enable our students to develop and compete athletically, academically, and artistically. Please consider making a tax deductible financial gift.

Donation \$ _____

Volunteer Opportunities

We always need volunteers to help with concessions and spirit wear sales at sporting events and school functions.
